

**REQUEST FOR PROPOSAL
ARCHITECTURAL / ENGINEERING SERVICES
For Police and Fire Department Facility**

1. INTRODUCTION

The City of Cold Spring is interested in receiving proposals from architects that possess qualifications to provide full A/E design and construction services for a proposed new Cold Spring Police and Fire Department Facility with alternate design of a stand alone Fire Hall. Interested firms must submit their proposal by 4:00 p.m., Thursday, February 20, 2020..

2. PROJECT DESCRIPTION

The proposed project includes construction of a new combined Police and Fire Department Facility on a site located on Sauk River Road adjacent to the Cold Spring Public Works Complex. An alternate design would be a stand alone Fire Hall. The combined project will include a 7,000 square foot administrative building, a 5,280 square foot squad car garage with a sally port; a 9,000 square foot apparatus bay with hose tower, a parking lot, driveways, site work, and utilities. The estimated gross square footage of the building is 21,280 square feet. The budget for this project 7,000,000.00. The facility improvements and parameters are based on a space study and recommendations prepared by HMA Architects in 2017, which is available for review at the City website:
